From the VC&MD, APSIDC, Hyderabad, Letter No.IDC/MD/Tech/Elr/PB Devam-1 LIS/13-14/1277, dated:29.06.2013.

ORDER:-

In the reference read above, the Vice Chairman & Managing Director, A.P. State Irrigation Development Corporation Limited, Hyderabad, while submitting the estimate, has stated that the Peddabrahmadevam L.I.Scheme No.1 was construction and commissioned during the year 1980 with an estimated cost of Rs.16.35 lakh under NIDC of APSIDC to provide irrigation facilities for an extent of 1000 acres belonging to the villagers of Biccavolu and Peda Brahmadevam. The ayacut of about 120 acres which located at tail end portion of Peda Brahmadevam L.I.Scheme-I under the village limits is found suffering from irrigation crisis since commissioning of this L.I.Scheme due to prolonged distance of main canal. Even, if strong precautions are taken, the required discharge for the tail end ayacut of 10 acres could not be delivered due to heavy seepage losses, adverse seasonal conditions etc. Further, the discharge now being delivered is found moderately dropped to about 16 to 17 cusecs as against the designed discharge of 20 cusecs due to prolonged running of pump sets, power break-downs, adverse seasonal conditions etc. The developed ayacut of 1000 acres has come down to 830 acres. Therefore, there is an absolute need to mitigate this crisis on permanent basis and to stabilize the tail end ayacut lands by any means in order to improve the financial status of small and marginal farmers.

2) The Vice Chairman & Managing Director, A.P. State Irrigation Development Corporation Limited, Hyderabad, has requested the Government to accord Administrative Approval for an amount of Rs.21.50 lakh for “upgradation of Peddabrahmadevam L.I.Scheme No.1 on Samarlakota canal in Biccavolu Mandal of East Godavari District”, to irrigate the tail end ayacut 120 acres, under Normal State Plan funds allocated to APSIDC for the year 2013-14, under the Head of Account “4702-MH-101 - GH (11) - SH (17) Need based Schemes to LIS - 530 Major works – 531 Other expenditure”.

3) Government, after careful examination hereby accord Administrative Approval for an amount of Rs.20.08 lakh (Rupees twenty lakh eight thousand only) (an amount of Rs.15.252 lakh for Civil, electrical & mechanical works and an amount of Rs.4.828 lakh for L.S provisions), for “upgradation of Peddabrahmadevam L.I.Scheme No.1 on Samarlakota canal in Biccavolu Mandal of East Godavari District”, under Normal State Plan funds allocated to APSIDC for the year 2013-14, under Head of Account “4702-MH-101 - GH (11) -SH (17) Need based Schemes to LIS -530 Major works – 531Other expenditure”.
